LEARN FROM WORLD-RENOWNED EDUCATORS AND PRACTITIONERS IN VETERINARY ACUPUNCTURE

Learn from instructors with over 80 years combined experience practicing and teaching veterinary acupuncture and Traditional Chinese Veterinary Medicine (TCVM), including world-renowned speakers Drs. Huisheng Xie, President and Founder of Chi University, and Dr. Akshay Shah, Director of Chi India.

THE BENEFITS OF HANDS-ON EXPERIENCE PLUS THE CONVENIENCE OF ONLINE LEARNING

Chi's hybrid learning system incorporates hands-on experience through small on-site acupoint labs, real acupuncture case demos, and case presentations. In Chi's state-of-the-art online learning portal, knowledge is gained through virtual lectures & demos you can stream at your convenience.

JOIN THE CHI FAMILY, GET LIFE-LONG SUPPORT

More than 11,000 veterinarians from over 75 countries have completed courses at Chi since its founding in 1998. This community of (TCVM) practitioners share knowledge & support at the annual international conference and through Chi's online forums. All Chi graduates receive free lifetime case consultation from Chi faculty.

Chi's faculty is comprised of practicing clinicians who actively treat patients using the same modalities they teach. Learn more about your CVA instructors and register to become a Certified Veterinary Acupuncturist at chiu.edu/courses/ACUP100_IND_EN.

Dr. Huisheng Xie DVM, PhD

Founder and President of Chi University

Dr. Xie has 42 years clinical, teaching and research experience in veterinary acupuncture and TCVM. He has trained over 11,000 veterinarians to practice TCVM worldwide. Dr. Xie's education includes advanced training in veterinary medicine, veterinary acupuncture, and human acupuncture. Dr. Xie has authored 20 books and over 100 peer-reviewed papers. His textbooks, including *Xie's Veterinary Herbology*, *Xie's Veterinary Acupuncture*, and *Traditional Chinese Veterinary Medicine-Fundamental Principles* have been used for TCVM training programs around the world. Dr. Xie continues to teach and develop educational courses and programs at Chi University, served as a full clinical professor at University of Florida's College of Veterinary Medicine, and is an honorary professor at China Agricultural University, South China Agricultural University and China Southwest University.

Dr. Akshay Shah DVM, CVA

Director of Chi India

Dr. Akshay Shah has been passionate about animals since childhood, inspired by growing up with pets and his parents' medical careers. A graduate of Bombay Veterinary College (2013) with a master's in Veterinary Pathology, he founded his clinic with a focus on holistic healing after witnessing the adverse effects of conventional medicines for chronic diseases. Dr. Shah is certified in Medical Acupuncture (IASA, 2013), Veterinary Acupuncture (Chi University, 2018), Veterinary Homeopathy (2019), and Bach Flower Therapy. He integrates these holistic approaches with conventional medicine to treat animals in a gentle, effective manner. He is set to lead Chi University's Veterinary Acupuncture classes in India as the course director, furthering his mission to promote integrative veterinary medicine.

Chi's faculty expertly guide you through the learning process during the course and provide free lifetime email case consultation after you graduate.

CVA PROGRAM OVERVIEW

The course begins with an overview of fundamental aspects of Chinese Medicine, including *Yin-Yang* and Five Elements theory, which serve as a foundation for case diagnoses and treatment presented later in the class. A variety of acupuncture techniques are taught, including electro-acupuncture, aqua-acupuncture, moxibustion, etc. in addition to conventional "dry" needling. In acupoint labs, students learn acupuncture points on live dogs.
