

2025-2026 Certified Veterinary *Tui-na* Practitioner (CVTP)

Course Overview

The Veterinary *Tui-na* course is a 31-hour course that certifies veterinarians in Veterinary *Tui-na* (Chinese Medical Manipulation) therapy. This course is hybrid, with an online and on-site portion. The on-site portion is held in Bali, Indonesia. The course is offered for small animal veterinarians. Lectures and labs cover treatment options for small animals patients. Hands-on learning is heavily emphasized in the *Tui-na* course, and wet labs take up most of the on-site session. In wet labs, students can practice *Tui-na* techniques on live animals.

Use manual therapy that combines acupressure with manipulation techniques to promote health and healing

Course Features

Learn another treatment option for patients sensitive to needles

12 hours of intensive hands-on learning with live animal wet labs

Enjoy the convenience of online learning in 19 hours of online fundamentals
