

DISTANCE EDUCATION ACCREDITING COMMISSION

STUDENT ACHIEVEMENT DISCLOSURE FOR THE PUBLIC

DEAC accredited institutions offer a broad array of instructional programs and student support services to meet varied educational and professional goals of a highly diverse student population. Institutions determine appropriate performance criteria to measure the success of their students in achieving their goals in the context of the institution's specific mission and scope. You will find below (1) a summary of how this institution measures student achievement in the context of the institution's mission and educational programs, and (2) student achievement metrics which the institution believes best reflect student and program performance. For more information about DEAC standards and requirements, please visit www.deac.org.

and published on its website on 03/31/2025

Summary of Institution Mission and Student Achievement

Chi University is dedicated to providing quality education to veterinarians and active veterinary students in Traditional Chinese Veterinary Medicine (TCVM) and other integrative veterinary modalities through distance learning and on-site lab practice to meet the needs of the global veterinary community.

Chi University evaluates student achievement by monitoring performance measures, which include graduation rate, student academic progress, retention rates, and student satisfaction Surveys. In order to meet the Distance Education and Accrediting Commission's student achievement disclosure, Chi University chose to provide aggregated graduation rate and retention rate.

Chi University offered a total of three (3) Master of Science Degree programs, (1) Graduate Certificate program, and (1) Doctorate program in 2024. Master of Science in Traditional Chinese Veterinary Medicine (MSTCVM), Master of Science in Integrative Veterinary- Canine (MSIVM-C) and Master of Science in Integrative Veterinary Medicine- Equine (MSIVM-E). 150% completion rate for all three (3) programs is 7.5 years. 150% completion rate for Doctorate program is 15 years. 150% completion rate for Graduate Certificate program is 1.5 years. The Graduate Certificate program discontinued from 2024.
