

2025-2026 Certified Veterinary *Tui-na* Practitioner (CVTP) in Malaysia

Course Overview

The Veterinary *Tui-na* course is a 33-hour course that certifies veterinarians in Veterinary *Tui-na* (Chinese Medical Manipulation) therapy. This course is hybrid, with an online and on-site portion. The on-site portion is held in Kajang, Malaysia. The course is offered for small animal veterinarians. Lectures and labs cover treatment options for small animal patients. Hands-on learning is heavily emphasized in the *Tui-na* course, and wet labs take up most of the on-site session. In wet labs, students can practice *Tui-na* techniques on live animals.
