LEARN FROM WORLD-RENOWNED EDUCATORS AND PRACTITIONERS IN VETERINARY ACUPUNCTURE

Learn from instructors with over 80 years combined experience practicing and teaching veterinary acupuncture and Traditional Chinese Veterinary Medicine (TCVM), including world-renowned speakers Drs. Huisheng Xie, President and Founder of Chi University, and Chee May Wong, Director of Chi Malaysia.

THE BENEFITS OF HANDS-ON EXPERIENCE PLUS THE CONVENIENCE OF ONLINE LEARNING

Chi's hybrid learning system incorporates hands-on experience through small on-site acupoint labs, real acupuncture case demos, and case presentations. In Chi's state-of-the-art online learning portal, knowledge is gained through virtual lectures & demos you can stream at your convenience.

JOIN THE CHI FAMILY, GET LIFE-LONG SUPPORT

More than 11,000 veterinarians from over 80 countries have completed courses at Chi since its founding in 1998. This community of (TCVM) practitioners share knowledge & support at the annual international conference and through Chi's online forums. All Chi graduates receive free lifetime case consultation from Chi faculty.

LEARN FROM THE MASTER OF VETERINARY ACUPUNCTURE

LEARN FROM THE BEST

Chi's faculty is comprised of practicing clinicians who actively treat patients using the same modalities they teach. Learn more about your CVA instructors and register to become a Certified Veterinary Acupuncturist at chiu.edu/courses/ACUP100_MYS_EN.

Chi's faculty expertly guide you through the learning process during the course and provide free lifetime email case consultation after you graduate.

Dr. Huisheng Xie

DVM, PhD

Founder and President of Chi University

Dr. Xie has 42 years clinical, teaching and research experience in veterinary acupuncture and TCVM. He has trained over 11,000 veterinarians to practice TCVM worldwide. Dr. Xie's education includes advanced training in veterinary medicine, veterinary acupuncture, and human acupuncture. Dr. Xie has authored 20 books and over 100 peer-reviewed papers. His textbooks, including *Xie's Veterinary Herbology*, *Xie's Veterinary Acupuncture*, and *Traditional Chinese Veterinary Medicine-Fundamental Principles*, have been used for TCVM training programs around the world. Dr. Xie continues to teach and develop educational courses and programs at Chi University, serves as a full clinical professor at University of Florida's College of Veterinary Medicine, and is an honorary professor at China Agricultural University, South China Agricultural University and China Southwest University.

Dr. Chee May Wong

DVM, CVA, CVCH, CVFT, CVTP, CTCVMP, MSTCVM, MS

(Emergency and Neurology), Assistant Professor of Chi University

Dr. Chee May Wong graduated with a DVM from University Putra Malaysia (UPM) in 2003 and has practiced in small animal medicine and emergency practice for twenty years and established her own private clinics in Kuala Lumpur and Selangor. In 2013, Dr. Wong began pursuing an education in TCVM at the Chi Institute (now Chi University) and earned a Certified Veterinary Acupuncturist (CVA, 2013), Certified Veterinary Chinese Herbalist (CVCH, 2017), Certified Veterinary *Tui-na* Practitioner (CVTP, 2017), Certified Veterinary Food Therapist (CVFT, 2017) with Dean's List recognition, Certified Traditional Chinese Veterinary Medicine Practitioner (CTCVMP, 2018) and Master of Traditional Chinese Veterinary Medicine (MS-TCVM, 2019). Dr. Wong is the Director of Chi Malaysia, tutor, lab instructor (TA), Acupoints examiner and also part of elected WATCVM BOD and APATCVM BOD. She has published and presented her case & research studies including "Integrative Medical Approach to Anaplasmosis in a Dog", "TCVM Approach to Acute Pelvic Limb Paralysis in a Dog", "The Effectiveness of Integrating *Gui Pi Tang* with Conventional Medicines in the Treatment of Thrombocytopenia in Dogs: A Retrospective Study," and "Integrative mSAP for Arthritis and other Geriatric/Pediatric Conditions in Dogs and Cats" etc. Her mission is to save more lives, especially in emergency critical care cases with the latest integrative medical approach by applying Traditional Chinese Veterinary Medicine treatment regime.

Dr. Ying Choi Chong

DVM, CVA, CVTP

Dr. Chong Ying Choi received his DVM from University Putra Malaysia. Dr. Chong was R&D Executive of Bayer Malaysia from 1999 - 2002 with a primary focus in the small animal field. In 2002, he left Bayer to establish his own small animal practice in Kuala Lumpur, Malaysia and has since been a small animal practitioner and veterinary surgeon. Dr. Chong's interests in TCVM (Traditional Chinese Veterinary Medicine) led him to enroll with Chi in 2014, where he graduated as a Certified Veterinary Acupuncturist (CVA). He pursued further education in Chinese herbal medicine and *Tui-na* and, in 2017, Dr. Chong became Malaysia's first Certified Veterinary *Tui-na* Practitioner (CVTP). In 2020, Dr. Chong presented his case study, "Treatment of Tracheal Collapse using TCVM," during the 22nd Annual International Conference on TCVM in Reddick, Florida. Dr. Chong is the lab instructor for Chi Malaysia.

CVA PROGRAM OVERVIEW

The course begins with an overview of fundamental aspects of Chinese Medicine, including *Yin-Yang* and Five Elements theory, which serve as a foundation for case diagnoses and treatment presented later in the class. A variety of acupuncture techniques are taught, including electro-acupuncture, aqua-acupuncture, moxibustion, etc. in addition to conventional "dry" needling. In acupoint labs, students learn acupuncture points on live dogs.

LEARN MORE & REGISTER!

chiu.edu/courses/ACUP100_MYS_EN

Chi's hands-on acupoint labs and low student-to-instructor ratio ensure you gain the confidence to start practicing acupuncture after the first on-site session.

The course is presented in 2 online sessions and 3 hybrid sessions. Each hybrid session includes two segments: online & on-site. Online segments are comprised of lectures and case demos that students can stream at their own convenience. On-site segments give students the opportunity to learn acupuncture points on live animals in small acupoint lab groups of four to six students per instructor. The on-site segment of this course is located in Kajang, Malaysia.

Class is for an intensive & intimate learning experience.

Session 1 - Online Portion
