LEARN FROM WORLD-RENOWNED EDUCATORS AND PRACTITIONERS IN VETERINARY ACUPUNCTURE

Learn from instructors with over 80 years combined experience practicing and teaching veterinary acupuncture and Traditional Chinese Veterinary Medicine (TCVM), including world-renowned speakers Drs. Huisheng Xie, President and Founder of Chi University, and Sakyeng Shin, Director of Chi South Korea.

THE BENEFITS OF HANDS-ON EXPERIENCE PLUS THE CONVENIENCE OF ONLINE LEARNING

Chi's hybrid learning system incorporates hands-on experience through small on-site acupoint labs, real acupuncture case demos, and case presentations. In Chi's state-of-the-art online learning portal, knowledge is gained through virtual lectures & demos you can stream at your convenience.

JOIN THE CHI FAMILY, GET LIFE-LONG SUPPORT

More than 12,000 veterinarians from over 80 countries have completed courses at Chi since its founding in 1998. This community of (TCVM) practitioners share knowledge & support at the annual international conference and through Chi's online forums. All Chi graduates receive free lifetime case consultation from Chi faculty.

Dr. Huisheng Xie DVM, PhD

Founder and President of Chi University

Dr. Xie has 43 years clinical, teaching and research experience in veterinary acupuncture and TCVM. He has trained over 12,000 veterinarians to practice TCVM worldwide. Dr. Xie's education includes advanced training in veterinary medicine, veterinary acupuncture, and human acupuncture. Dr. Xie has authored 30 books and over 100 peer-reviewed papers. His textbooks, including *Xie's Veterinary Herbology*, *Xie's Veterinary Acupuncture*, and *Traditional Chinese Veterinary Medicine-Fundamental Principles*, have been used for TCVM training programs around the world. Dr. Xie continues to teach and develop educational courses and programs at Chi University, serves as a full clinical professor at University of Florida's College of Veterinary Medicine, and is an honorary professor at China Agricultural University, South China Agricultural University and China Southwest University.

Dr. Sakyeng Shin DVM, PhD, CVA, CCRV, CVFT, CVCH, CVTP, CTCVM, CCRT

Dr. Sakyeng Shin graduated from Chungnam National University College of Veterinary Medicine. In 2010, she received one year of direct clinical training in Traditional Chinese Veterinary Medicine under Dr. Huisheng Xie at the University of Florida. After returning to Korea, she has dedicated her career exclusively to animal acupuncture and rehabilitation medicine.

Dr. Shin also pursued advanced studies at the University of Florida and Seoul National University.

Since 2016, she has been leading major Chi University certification programs in Korea, including CVA (Certified Veterinary Acupuncturist), CCRV (Certified Canine Rehabilitation Veterinarian), CVTP (Certified Veterinary Tui-na Practitioner), and CCRVT (Certified Canine Rehabilitation Veterinary Technician), contributing significantly to the advancement of integrative veterinary medicine in Korea.

Dr. Min Su Kim DVM, PhD, CVA

Dr. Min Su Kim received his DVM from Kyungpook National University of Veterinary Medicine and PhD degree from the Seoul National University in 2006 with acupuncture and surgery studies. Then, he completed an internship in acupuncture at the University of Florida (UF) Veterinary Medical Center. He is associate professor at the College of Veterinary Medicine, Chonbuk National University and has been working as a research professor at Indiana Medical School. He has authored over 5 books of veterinary surgery and traditional veterinary medicine and published over 90 papers on veterinary surgery and acupuncture in peer-reviewed journals. He has been working as academic committee chair in both Korean Society of Veterinary Surgery (KSVS) and Korean Society of Traditional Veterinary Medicine (KSTVM). He has been one of the major speakers and instructors at the Chi courses in South Korea and Beijing.

LEARN FROM THE BEST

Chi's faculty is comprised of practicing clinicians who actively treat patients using the same modalities they teach. Learn more about your CVA instructors and register to become a Certified Veterinary Acupuncturist at chiu.edu/courses/ACUP100_KOR_EN.

Chi's faculty expertly guide you through the learning process during the course and provide free lifetime email case consultation after you graduate.

CVA PROGRAM OVERVIEW

The course begins with an overview of fundamental aspects of Chinese Medicine, including *Yin-Yang* and Five Elements theory, which serve as a foundation for case diagnoses and treatment presented later in the class. A variety of acupuncture techniques are taught, including electro-acupuncture, aqua-acupuncture, moxibustion, etc. in addition to conventional "dry" needling. In acupoint labs, students learn acupuncture points on live dogs.
