CERTIFIED VETERINARY *TUI-NA* PRACTITIONER (CVTP)

Overview

The Veterinary *Tui-na* course is a 30-hour course that certifies veterinarians in Veterinary *Tui-na* (Chinese Medical Manipulation) therapy. This course is hybrid, with an online and on-site portion. The on-site portion is held in Bangkok, Thailand. The course is offered for small animal veterinarians. Lectures and labs cover treatment options for small animals patients. Hands-on learning is heavily emphasized in the *Tui-na* course, and wet labs take up most of the on-site session. In wet labs, students can practice *Tui-na* techniques on live animals.

Course Features

- ✓ 12 hours of intensive hands-on learning with live animal wet labs
- ✓ Enjoy the convenience of online learning in 18 hours of online fundamentals
- ✓ Receive a CVTP certification from Chi after completion of course requirements
- ✓ Free life-time case consultation with TCVM experts
