

PETITE PEARL SINGLE VARIETAL RED WINE

Vintage: 2025

Grape Variety: 100% Petite Pearl

Region: Montpelier, Vermont

Alcohol: 12.5%

Tasting Notes: The 2025 Petite Pearl is a garnet colored wine, almost opaque from the depth of color. The nose exhibits dark fruits and lilac alongside some slight minerality. On the palate strong jammy flavors of a variety of small fruits such as currants, cherries, and raspberries are complimented by a earthy richness. An initially creamy mouth feel transitions into a tart and tannic aftertaste that leaves you wanting another sip.

Winemaking Notes: 2025 was a perfect year to grow grapes in Vermont. A warm dry spring and a hot dry summer led to a record yield and outstanding Brix numbers. We harvested the grapes in mid-October after several frost events. Primary fermentation took place in stainless steel for two weeks, then the wine was racked into stainless steel to rest for a month followed by eight months in neutral Hungarian oak barrels.

Total Production: 20 cases
