PUBLIC NOTICE

Disadvantaged Business Enterprise (DBE) Overall Goal for Federal Fiscal Years (FFY) 2026-2028

The Corpus Christi Regional Transportation Authority (CCRTA) has established a proposed Disadvantaged Business Enterprise (DBE) overall goal of four percent (4%) for Federal Fiscal Years (FFYs) 2026–2028. This goal represents the percentage of work expected to be performed by certified DBE firms on CCRTA’s Federal Transit Administration (FTA)-assisted contracts scheduled for solicitation and award between October 1, 2025, and September 30, 2028. The proposed goal and its supporting rationale were developed following the U.S. Department of Transportation’s DBE Program Regulations, as outlined in Title 49 of the Code of Federal Regulations (CFR), Part 26.

The methodology used to determine the proposed goal is available for public inspection for 30 days from the date of this notice. It may be reviewed during regular business hours, Monday through Friday, from 8:00 AM to 5:00 PM (CST), at the CCRTA DBE Office, 3rd Floor, 602 N. Staples St., Corpus Christi, TX 78401.

CCRTA will host a public webinar on **Wednesday, July 16, 2025, at 10:00 AM (CST)** to present the methodology used to establish the proposed DBE goal. The webinar will also provide an opportunity for public comments and include a Q&A session about CCRTA’s DBE Program and the proposed goal. [Click here to join the webinar.](#)

CCRTA will accept written comments on the proposed goal for 30 days from the date of this notice. Comments may be submitted to the DBE Liaison Officer, Laura Yaunk, at the address above or via email at lyaunk@ccrta.org.
